

Summer, Fall 2018

Dear GRRoM Supporter,

GRRoM is proud to announce its annual fundraiser, "*An Evening of Pasta & Goldens*" to be held at Pasquale's Restaurant in Royal Oak from **6:00 pm – 9:00 pm**. The auctions at this event are a significant source of revenue for our rescue, and in fact, this event continues to be one of our biggest fundraisers of the year. All auction items are donated by businesses like yours, as well as by members of GRRoM and various community members. We are inviting you to consider donating an item or gift certificate for our upcoming charity auction.

#### **BENEFITS OF SUPPORTING GRRoM**

- Your business will be recognized at the event and on future promotional materials.
- Your donation will also be acknowledged in our newsletter which reaches over 1,300 individuals, on our Facebook page and on our website: [www.grrom.com](http://www.grrom.com)
- All contributions to GRRoM are tax-deductible: **TAX ID: #38-3537484**

This year marks GRRoM's 30th year of relentless dedication to our mission to help displaced and abandoned goldens and we celebrate our success in having rescued over 4,500 dogs. The average cost of taking a golden into rescue is \$650.00 and often, it is much more. With the increase in the number of heartworm positive dogs and dogs needing extensive medical care, it is more and more challenging for GRRoM to meet these continued needs without help from individuals and businesses like yours.

We want to assure you that all donations go exclusively to benefit GRRoM and any contribution you make will positively impact our ability to help these beautiful goldens. Thank you for your thoughtful consideration of our request.

Sincerely yours,

*Gail Rellox*

GRRoM President
